YMCA DISCOVERY CAMP: offers **children grades K-6th*** enjoyable days filled with a variety of activities including sports & games (indoor & outdoor), swimming at beautiful Lake Purdys, arts & crafts, music & movement, science & nature programs, teambuilding, special trips and much, much more.

(*Must have completed kindergarten)

HALF DAY SPECIALTY CAMPS:

Creation Corner – Does your child have an endless imagination and love to create? Get cool, creative, and imaginative in this camp. Campers will invent an eclectic mix of projects; including duct tape creations, DIY board games, mosaic tiles, and much, much more. Each day campers will take home a different project!

Delicious Delights– Campers really get cooking in this introduction to the culinary arts where they learn to create fun things to eat! Incorporating cleanliness, nutrition, cooking terms, measuring, helping, creating, sharing and EATING, this camp allows children to become little chefs. From chopping up to cleaning up, it's all food for thought. At the end of the week, your child will have completed their very own recipe book.

Movin' & Groovin' – Think you have all the right moves? Looking for your 15 minutes of fame? Campers will participate in group singing and dance choreography, as well as learn the basics of acting, staging, and choreography as they work toward a final performance. The focus is on developing skills and bringing out the talents and gifts that our campers have inside- giving everyone a chance to be a shining STAR!

LEADER IN TRAINING PROGRAM: offers teens 7th grade & up* a chance to develop leadership and interpersonal skills as they learn the importance of being a positive influence in the development of children onsite at the Discovery Camp. This is a highly selective and competitive program that requires an interview and separate application.

(*Must have completed 6th grade)

To register

1. Complete this packet
2. Attach a copy of current physical/ medical record
3. Send in with full payment
