Thank you for choosing the Community YMCA Summer programs! Here at the Community YMCA we have been providing high quality, affordable care to our local community for over 20 years.

YMCA Summer Program: offers children grades K-6th* enjoyable days filled with a variety of activities including sports & games (indoor & outdoor), swimming, arts & crafts, music & movement, science & nature programs, teambuilding, special trips and much, much more.

(*Must have completed kindergarten)

HALF DAY SPECIALS:

- **Crazy Creations:** Put on your lab coats and get ready to experiment with all sorts of slimy, gooey stuff during this week! You will make slime, create explosions with soda, and create your own play-dough and more.
- **Bugs in Your Schoolyard:** Kids search for bugs, collect specimens, and submit observations to the iNaturalist biodiversity databank, which is used to help better understand and protect the natural world. Check out www.calacademy.org/science-action-club-sac or more info.
- **Baking Bootcamp:** Move beyond the basics and stretch your baking repertoire to include things like biscuits, muffins, cupcakes, fruit tarts, and dessert sauces. Students will also learn measurements and equivalents, as well as basic techniques like folding, whisking, and rolling during this week.
- **Birds in Your Schoolyard:** Youth investigate birds and document their discoveries in the eBird databank, which helps scientists better understand and protect these important species. Explore sample activities at www.calacademy.org/science-action-club-sac

LEADER IN TRAINING PROGRAM: offers teens 7th grade & up* a chance to develop leadership and interpersonal skills as they learn the importance of being a positive influence in the development of children onsite at the Discovery Camp. This is a highly selective and competitive program that requires an interview and separate application. (*Must have completed 6th grade)
