1. *EMPLOYEE CLASSIFICATION*

The YMCA of Central & Northern Westchester uses the following classifications as a basis for its payroll system and for the purpose of administering employee benefits.

- A. **Exempt Employees** are paid a salary and are not subject to overtime pay. Exempt employees include executives and officers, professional program directors, persons assigned to administrative functions, and certain other supervisory staff. The Association uses as a guideline the YMCA of the USA's system of recognition and classification for professional employees. Copies of the system are available from the YMCA of the USA.
- B. **Non Exempt Full-Time Hourly Employees** are those persons regularly scheduled to work at least 37.5 hours or more per week and who are continuously employed for ten months or more during a calendar year. Those full-time people employed in childcare programs that run in conjunction with the school year (September through June) will be termed 10/12 employees and be granted benefits on a prorated basis. Benefit pay such as Holiday or Vacation pay does not count as hours worked in the calculation of overtime hours.
- C. **Non Exempt Part-Time Hourly Employees** are those persons who are employed to work less than 37.5 hours per week and may or may not have a regular schedule.
- D. **Seasonal Employees** are those persons who are employed for a short-term period (e.g. Summer Camp Staff) regardless of the number of hours worked per week.
- E. **Government Funded Project/Programs-** When the YMCA of Central & Northern Westchester contracts for a specified period of time with an outside agency, persons working in the program will be considered Association employees; be listed on payroll and will receive all benefits, except as expressly prohibited by the contract.
